

**Pickering  
Energy  
Partners**  
Consulting

ESG Analyst, PEP Consulting

## + ESG ANALYST, PEP CONSULTING

### Position description

Pickering Energy Partners (PEP) is in a high growth phase with a recently launched consulting business and an energy transition market intelligence business, along with continued growth opportunities for its asset management

PEP is seeking a highly motivated individual for an ESG (environmental, social, governance) Associate role in Houston. The ideal candidate has strong interpersonal skills and the ability to thrive in a cross-functional team. This candidate needs to have a high degree of professionalism, personal and business integrity. Additionally, the candidate must have strong verbal and written communication skills. The ideal candidate will also have a prior focus on financial services firms or energy companies.

### Primary responsibilities

- Support Associates in building customized client deliverables
- Analyze & draw insights from large sets of ESG-related data
- Research emerging ESG trends and topics and summarize in internal communications
- Run peer screens, benchmarking, and analyses
- Support with proposal materials used in business development
- Attend industry-specific webinars and summarize key takeaways
- Provide research and support in the creation of the monthly ESG newsletter

### Specific qualifications

- Required:
  - 1-3 Years of experience in finance or energy
  - Bachelor's degree from an accredited university in relevant field, or unrelated degree with demonstrated progress towards industry accreditations (e.g., CFA, CPA)
  - MS Office proficiency and strong excel skills
- Additional qualifications:
  - Ability to understand and absorb new topics quickly and independently
  - Strong work ethic, research skills, and interpersonal communication
  - Interest in Sustainability

### Additional information

- PEP offers a competitive salary and bonus opportunity. Excellent benefits package.
- To be considered, qualified candidates should send their resumes and salary history to [Resumes@PickeringEnergyPartners.com](mailto:Resumes@PickeringEnergyPartners.com), and reference "ESG Analyst, PEP Consulting" in the subject.
